10 Commercial Properties to be Sold at Auction, 3 offered Absolute!

Uniontown, PA. (May 19, 2016) - Higgenbotham Auctioneers International (HAI) confirmed today that their firm in co-operation with Sandy Brittingham of Rittenhouse Auction Company LLC would offer at auction ten commercial properties owned by Commercial Center Associates on Saturday, May 19th at 11:00am. The auction will be held at the Hilton Garden Inn, 555 Synergy Drive, Uniontown, PA. Interested parties may attend a preview of the properties on Thursday, April 25th from 10am to 4pm.

“Due to the wide range of properties in this offering, the auction has drawn considerable interest,” stated Marty Higgenbotham, President for HAI. “We have a historic restaurant that is turn key ready, income generating leased properties and everything in between. This sale is a great opportunity for an individual investor to increase their portfolio by buying the entire offering or for multiple buyers to purchase this real estate one piece at a time.

Current market conditions make these properties very attractive with current leases providing a steady stream of residual income.
