To Whom It May Concern:

In recent months, I have had the pleasure of working very closely with Mr. Marty Higgenbotham and the members of his staff and the auction crew. I have seen them in action through many phases of the auction process, and I was very impressed with their professional and friendly manner from start to finish. The selling of the possessions from my late father's estate was a very difficult time for our family, and we found Marty and his staff especially Laura Whitt to always be kind and sensitive to our needs. Marty is obviously very knowledgeable, but was also very approachable with questions I felt were important. Marty, Laura Whitt and really everyone on the staff took the time to be the best they could be for me, and I would like to express my sincere thanks.

At the risk of sounding like an ad, when all was said and done, I am still not sure: Why would anyone go anywhere else for the best auction services in the world, when they are right here in central Florida...thanks Marty and Laura,

Again, my sincere and heartfelt thanks to all,

Bruce R. Grant
